A resolution from the Common Council grantvage to complete his contract for grading, naving,

Francy Evening, April 20, 1860. Replieg of the journal of the previous session is pensed with. Alderman Surgent moved that the record of the meeting of April 10th be approved, or confirmed, when Alderman Baird explained in regard to his vote for Ulerk at said acceling. After some dehate on same, the Clerk, John W. Tompkias, arose and rendered his resignation as Clerk of the Board of Aldermen, which was accepted; when Alderman Pettit nominated the late incumbent, J. W. Tompkins, for re-election: Mr. Gunkle nominated Mr. Pettit nominated the late incumbent, J. W. Tompkins, for re-election: Mr. Gunkle nominited Mr.
John Hawes and A. Hamilton, when the election resulted in the re-election of John W. Tompkins as Clerk by the following vote, viz:

Mr. President Trabue and Messrs, Alexander, Pettir, Sargent, and Baird—5.

Hamilton received the following vote viz:

An arributes from the Common Council to a particular from the first from the fi Hamilton received the following vole, viz: Messrs, Jefferson, Gunkle, and Osborne—3. cred by Alderman Trabue, J. W. Tompkins re-amed his duties as Clerk.

The Mayor transmitted the bonds of the follow-ing officers elect, which were referred to the Com-nittee ou Elections and Bonds:

An ordinance from the Common Council to re-paye the sidewalks on the north side of Main street, between Sixth and Seventh, in front of the property owned by L. L. Shreve, was referred to Street Committee, Western District.

N. L. McClelland, city tax collector of Western listrict;

T. T. Summers, city tax collector of Eeastern

An ordinance from the Common Council, levying a tax for city jurposes for the year ending March 9, 1861, was referred to the Finance Common Council. An ordinance from the Common Council levying a water tax for the year ending March 9th, 1861, was referred to the Finance Committee.

A resolution from the Common Council directo Telbert, street in pector of Eastern Disict.
A message was read from the Mayor recom-ending that an ordinance be passed authorizing evening. April 27th, 1860, at 8 o clock, when the Louisville was adouted. deputies, which was referred to the Fommittee on Revision, with leave to report at present session.

Adderman Surgent, from said committee, presented 'An ordinance further to prescribe the duty of the marshril of Lonisville, which was read and a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second reading was a motion to dispense with the second r st. A report was read-from the street commissioner | Varuhagen von Ense. | The following extracts are

incregard to repairs, &c., necessary on streds, which was referred to the Committees on Streds of Eastern and Western Districts.

General Leopold von Cordach, who is foud of his of Eastern and Western Districts.

A claim of \$22.81 in favor of Wrield & Bridgeford for slove furnished Mayor's oflice was referred to Finance Committee.

A communication was read from the Irustees of A communication was read from the trusters of the public schools, which was referred to the Committee on Education.

A peticion was read from Louis Rath in regard to claims for paving Fulton street, Parlland, which was referred to the Committees on S rects, Eastern and Western Districts. A claim of \$12.38, in favor of W. Wheeler, for repairs to sewer, was referred to the Finance Committee.

A claim of \$12.38, in favor of W. Wheeler, for conduct live in Berlin; he would be banished, so greatly was he hated by the ultras and the shampions. Every means was adopted to set the King against him; in other countries of Germany he would not be referred to the formula to the conduction of the condu A claim of \$116.45 for job printing to 16th April, 1850, was referred to the Committee on Public Printing.

Adderman Sargent presented a resolution raising a joint session on Friday evening, April 27, 1850, at 81₂ o'clock, for the purpose of electing the following officers, viz.:

Two Inspectors of Flour;

Two Inspectors of Flour; a joint session on Friday evening, April 27, 1860, at 81 2 o'clock, for the purpose of electing the fol-

Two Inspectors of Liquids;
Two Inspectors of Beef, Pork, and Lard;
Two Inspectors of Wood, Coul, and Lime;
Two Inspectors of Saft;
Two Measurers of Plasterers' Work; Two Measurers of Carpenters' Work; Two Measurers of Brick and Stone Work;

for delivery, and, on request, was discharged from same.

Alternan Trabue presented a rootract between the city of Louisville and O. H. Strattan, Cleck of the City Court, which was approved.

Aldernan Trabue, from Finance Committee, to whom was referred a resolution directing the Mayor and Anditor to precure plates on which to have engraved city warrants, reported a substitute for same, directing the Anditor to use the warrants now on hand, which was adopted.

Alderman Trabue, from Connecting on the Reviduion of 1848. He terms it an indiscrete and almost harm work. I call it a studio one, and judging by the contents, a treatherous one; it proves how injurious it is to allow diplomatic interference, more especially non-official, as well as Lumartine, gave too nunch ear to his counsels.

Alderman Trabue, from Connecting the Marquis. Cavaignac as well as Lumartine, gave too nunch ear to his counsels. The name of the Computers the Resolute Fire Itematical to the dullest and most irksome of Englishmen.

MONDAY, APRIL 23, 1860. state of the Charleston campaign: an equality with the others only, so that their votes will be neutralized, Mr. Douglasis gone. In the latter event, it is not improbable that the friends of the Illinois Senator will withdraw from the Convention and bolt the ticket. The decision of the above question, it is generally conceded, will make a change of forty-six votes in his chances.

But small as the majority was against this insidious resolution, it was enough to defent it, and to seemre the vote of New York in the next of the above question, it is generally conceded, will make a change of forty-six votes in his chances.

But small as the majority was against this insidious resolution, it was enough to defent it, and to seemre the vote of New York in the next of the above question, it is generally conceded, will make a change of forty-six votes in his chances.

But small as the majority was against this insidious resolution, it was crough to defent it, and to seemre the vote of New York in the next of the above question, it is generally conceded, will make a change of forty-six votes in his chances.

Coally the past winter, among our merchants and I usiness men, a proper appreciation of their duty to Lonisville, as a commercial city; and many have given substantial evidence of their desire to do all in their power to increase her trade and advance her interests here. will make a change of forty-six votes in his chances. Next to him it is difficult to say who seems to be the strongest. His apponents are very much divided, almost every State having a candidate of its own. Seymour, of New York, and Seymour, of Connectical, both are referred to as very popular Northern men. Mr. Dickinson is spoken of as a man who may be made useful as a club with which to beat out the brains of Douglas, but who ever is used for such u purpose, it is clear cannot expect to be nominated by the votes of Douglas friends after that. That is, therefore, about as Mr. Breckinridge has bruch strength, I think mor than any one else after Donglas. He decline however, to make any efforts to secure the nomi General Lane looms up next in this atmo

Four Nomeros Killed.—The Augusta (Ga.)

Four No

in evening. We do not believe that another such rapid but complete business trip has ever been made before. In seven days to traval nearly two thousand miles and make purchases in three cities, is a feat which no one but a person of energy like Mr. Anderson could accomplish. His new goods will soon be received, and then our ladies will have a sight, no doubt, worth looking at.

THEATER.—This evening Mr. Murdoch, over welcome to our city, commences an engagement, and will appear as Bover in the comedy of Wildlots. There is the acknowledged head of his profession in this country and in Europe, as a gented complaintly discovered and the buoyancy of manner peculiarly distribution. However, it is the acknowledged head of his profession in this country and in Europe, as a gented complaintly distributed by the profession of the country and the first population of all ways seems to revel in them. We are pleased to see that Mrs. II. Bernard, a fine condition and most agreeable and sprightly actress, has been engaged to perform with Mr. Mundoch. Her retainengment of the condition of the contract with the case, and are, of course, tree to our theater will please a large class of her former admirers.

However, ANDCAMPERLE MANDCAMPERLE MANDCAMPER

christy's well known and layorite band of Ethiopian minstrels have passed under a new management, and will appear at the Masonic Hall this evening. They have visited us before, and have always proved a successful card. Fine singers and accomplished musicinus, they give extravaganzas and retined nusic in admirable style, and their programmes are always full of fun and sentiment.

We expected by the Memphis and Ohio Railroad, shot, and it is supposed fatally wounded Dr. Wm. Myers, late of Philadelphia, and at present a resident of this city. The circumstances of the athair, as we gleaned them from reliable sources, are as follows: On Wednesday night Dr. Myers met Mr. Skinner at the El Dorado billiard salom, the latter drinking and earousing. Seeing this, Myers, late of Philadelphia, and feeling an interest in bis welfare, advised him to design the programmes are always full of fun and sentiment.

We expected by the wear of the Memphis and Ohio Railroad, shot, and it is supposed fatally wounded Dr. Wm. Myers, late of Philadelphia, and at present a resident of this city. The circumstances of the athair, as we gleaned them from reliable sources, are as follows: On Wednesday night Dr. Myers met Mr. Skinner at the El Dorado billiard salom, the latter drinking and earousing. Seeing this, Myers, late of Philadelphia, and feel-with the programmes are always full of fun and sentiment.

We expected we have a supposed fatally wounded Dr. Wm. Myers, late of Philadelphia, and at present a resident of this city. The circumstances of the athair, as we gleaned them from reliable sources, are as follows: On Wednesday night Dr. Myers hate of Philadelphia, and feel-with the programmes are always full of fun and sentiment.

We expected we then we would be a supposed fatally wounded Dr. Wm. Myers, late of Philadelphia, and at present a resident of the Stevens of the athair, as we gleaned them from reliable sources, are as follows: On Wednesday night Dr. Myers hate of Philadelphia, and feel-with the supposed fatally wounded Dr. Wm. My

RIVER AND STEAMBOAT MATTERS. The river has continued to recede rapidly, and there will not be water enough in the Falls to-day for the last of the river has continued to recede rapidly, and there will be remembered that during the examination into the rule in the

stand, re-shipped a large lot of tobacco of the Cincinnation modity. We can enumerate only a few:

A Runaucay,—Last evening the horse strached to the rockaway of J. R. Greene, Esq., ran off on Main street, near Proston. The unimal dashed up the street at a fearful rate, and at the corner of Clay the vehicle came in contact with a lampest, breaking and upsetting it, and throwing out the immates, consisting of Mrs. Greene, her little daughter, and the driver, a negro boy. They all received bruises, but were not dangerously hart. The horse became disengaged, and fell on an Irishman who attempted to stop him. The latter was made and the main for the position, and at home in almost any circle. He is in fact just the man for the position, and attempted to stop him. The latter was misselector, fell or sprang into the river at the foot of Xinth street on Saturday night and was drawned, lie went to the edge of the water to get a bucket of water and got into the deep mind left by the contact will be seed to the design of the contact will be supported by the correspondence with the President of the President was on the letter dised.

that he owed \$3,000, but that was no justification for his conduct. The jury gave a verdict of \$1,000 damages.

Who word a problem of the London This confluence of the London Times, giving an account of what passed recently at the palace of the Supreme Pontiff. It reads almost like a seeme from one of the plays of Moliere. There is a seng of which the lirest line is—"I wish I was the Pope of Rome."

After reading the account in this letter of the perplexities and vexations which beset the present warrer of the lirrar, he must be in a miserable condition who would exchange places with Pins Ninth. The story about the epileptic attacks is which. The story about the epileptic attacks is which. The story about the epileptic attacks is which the protect of the protec

language is meant for An'onelli, the Minister in whose infallibility the Holy Eather has more implicit faith than in his own. "I have not, your Holiness, said the Marquis. "Then," replied the Pontiff, "how is the Hing to be managed? When he hears of 19,000 crowns being wanted, you know how he will wrinkle up his nose." "But, you Holiness, it is an unavoidable expense." "That may be, but you know he is so fight-fisted, you know how he stints even half a bayocco when the interest of the country is at stake. Well, well, we shall see: we'll speak to bim as soon as possi-

than the French, it is not easy to see the to my own substraction whether by these last words the Pope expressed his bapes or his fears. That the Pope is right as to the present intentions of the French I have little doubt, for I see cannon and mortals. Basin, when that gentleman and his daughter, deaking Thos. E. & Co., corner at and Walnut sts. was not sick at all, and suspicion naturally fell her system, we cannot say. The case is a singular one, and will cause some excitement when it comes to trial, -Rochester Democrat, 17th.

belli, "Read," he said, "noy Lord Ambassador; read, and then 4ell me how I am to act. I must not summon the Austriaus; France will not allow it. I must not call in the Neapolitaus; Sardinia forbids it. My own treeps are not equal to the forbids it. My own treeps are not equal to the version Association of that State. She is eightly the version association of that State. She is eightly the version association of that State. She is eightly the version association of that State. She is eightly the version association of the Mount version association of the M forbids it. My own treeps are not equal to the attacks we are daily expo ed to. What, then, is to be done? This is an infamy, and you may write so to the Emperor; this is a ribaldry, "(-)n, famior e ribalderio," I translate literally.) The with the most enthusiastic demonstration by the Ambassador left pleading his instructions and his instructions and his usual nervous attacks and epileptic fits—the infallide consequence with him of any access of fury.

The Pepe had one of his usual nervous attacks and epileptic fits—the infallide consequence with him of any access of fury.

The Pepe had one of his bridge over the Assimplication of which six young girls strewed flowers before him and sang a song of welcome. One of those girls is now Mrs. Chestoff welcome. One of those girls is now Mrs. Chestoff welcome.

The Pepe had one of lines are the ladies. A "triumpdual arch" was crected on the bridge over the Assimplication of the creek, at the entrance of which six young girls strewed flowers before him and sang a song of welcome. One of those girls is now Mrs. Chestoff welcome. of the Springfield Republican furnishes the fidin its wane joins those who are endeavoring to pay the noblest of tributes to that hero's memory.

The DEATH OF JAMES O'IS,—A correspondent in its wane joins those who are endeavoring to pay the noblest of tributes to that hero's memory.

Fire and Burghar-Proof Safes, Bank Locks, 5 count payments, with interest 5 count payments, with interest 5 count payments, with interest 5 count payments, and Vinuits. lowing interesting account of the death of the patriot James Otis:

At one time he remarked to a member of the family: "My dear sister, I hope when God Almighty, in his righteons providence, shall take me out of time into eternity. That it will be low a flash of lightning." Speedily was his desire fallilled. Says William Tudor, his hiographer: "On Friday nfternoon, the 25d day of Mry, 1783, a heavy

r, which opened from his apartment into the the case might require. ont entry. He was in the act of telling the as-embled group a story, when the explosion took lace, which seemed to shake the solid earth, and in its list of reigning monarchs. This is the first hat came from the cloud, and was not followed wany others that were remarkable. There were seven or eight persons in the room, but no others cere injured. No more was a constant of the dynasty of Tsin, which, in 1611, since of the dynasty of Tsin, which, in 1611, since of the dynasty of Tsin, which, in 1611, since of the dynasty of Tsin, which, in 1611, since of the dynasty of Tsin, which, in 1611, since of the dynasty of Tsin, which, in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which in 1611, since of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of Tsin, which is the transfer of the dynasty of the transfer of the dynasty of the transfer of the transfer of the dynasty of the dynasty of the transfer of the dynasty of the dynast miserable by the quarrels of his Cabinet and relatives. hol it exploded with tremendous force, destroying perhaps forever her evesight, and injuring her body seriously. Her life will be saved, it is supposed, but little hopes are entertained of her ever recovering her sight. died at the residence Why so much Beauty in Poland?-"Beeause," from the eradle to the parlor, to dress, lo sil still Uncle Glasgow, as he has been familiarly called for the last half century, is deserving, as well from his great age as from his many rare qualities, of more than a passing notice. He served with faithfulness and industry, as a teamster, during the first of the partor, to dress, to so still and look pretty. No, they are treated as children bould be. During childhood, which extends through a period of several years, they are plainly and loosely dressed and allowed to run, romp, the fietcher & Bennett, Main st., bet. 4th and 5th. Kendrick, Win., 3d st., bet. 4th and 5th. Kendrick, Win., 3d st., bet. 4th and 5th. a teamster, dur-and play in the open air. They are not loaded down, girded about, and oppressed every way with rendered delicate or dyspeptie by continually stufof the American children. Plain, simile food,

gow was a grown man when Charles Chn-Stewart & Barter, 515 Main street.

An exchange says that "seven hundred industrious individuals" gain a respectable livelihood in wwas born, was one of the earliest pioneers of e State of Kentucky, and brought his faithful ryant with him to the "dark and bloody ground."

"What a fine head your boy has," said an admiring friend. "Yes," said the falher, "he's a chip of the obl block—ain't you souny?" "I gness Residing, as a merellant, many years at Lexington, he had Glasgow employed as a wagener between that point and "Limes one," often entrustween that point and "Limes one," often entrusting him with large amounts of money, and even ending him with specie (the only currency in Flour dull and rather easier: sales 4800 bbls at \$500 Charles, Stephen, Main, between Campbell & Wenzell. hose days) to Pittsburgh and distant points. He often said that he felt just as safe when Glasgow Wheat nuclanged; safes 25,000 bushels at \$1.62½@1 65 for white western. Corn qub t; sales 14,000 bushels at \$1.62½@1 65 for white western. Corn qub t; sales 14,000 bushels at 75 for mixed western, delivered. Oats plenty and dull Xearly every man has his weakness. Glasgow House western, delivered. Oats plenty and dull at 43 at 44. Pork dull and heavy; sales 700 bble at \$17.41 Merchant Tullors.

Nearly every man has his weakness. Classyow and the low-he blud a great the blud as great to hold and heavy; sales 700 blote at \$17.4 for her, and the blud as great to hold ness, \$17.5 for her, and the lowes of the provide and a fordness for whisky. During the prevalence of cholera, in 1833, his wife, blussy, was taken sick—a popular physician was called, who prescribed for her, and the provide and the control of the country. The country of the country. The country of the country o had two—he had a great horror of physic and a fondness for whisky. During the prevalence of cholera, in 1833, his wife, Dilsey, was taken sick
